SPECIFICATION

REF: 92668195

This 88' Ferretti was purchased NEW by her first owner in November 2004. She has been used on a limited basis in Florida, several trips to the Bahamas and one trip to New England. Since then her second owner in Croatia has used her in only 2 weeks during the summer season of 2008 and 2 weeks in summer 2009 for charter. This yacht could be considered better than new due to the numerous improvements made by a knowledgeable Ferretti owner.
